Dear Congressman Moran:

On behalf of The NEA Fund for Children and Public Education, the political action committee of the NEA, it is my pleasure to notify you of The NEA Fund's decision to recommend your election to the U.S. House of Representatives, Congressional District 8 in Virginia. The Virginia Education Association which recommended your candidacy – and The NEA Fund applaud your commitment to public education and children. We wish you every success in the coming election.

The NEA Fund will recommend your candidacy to the 5,022 NEA members residing in your Congressional District and will urge them to play a leadership role in helping you to achieve victory. The NEA Fund and VEA are proud to support the election of federal candidates, like you, who measure up on the issues that most concern our members.

If we can provide additional assistance or if you need further information, please contact Kitty Boitnott of the Virginia Education Association, 804-648-5801. We look forward to working with you to advance the interests of children and public education.

Sincerely,

Dennis Van Roekel
