The Honorable James Moran
Moran for Congress
311 North Washington Street
Suite 200L
Alexandria, VA 22314

Dear Representative Moran:

Congratulations! We are thrilled to announce that you have received the endorsement of the Planned Parenthood Action Fund and its Planned Parenthood Federal PAC. You have been a strong supporter of women's health and we know you will continue to be a dedicated advocate for our organization.

The Planned Parenthood Action Fund is an independent, not-for-profit national organization that engages in legislative, educational, and electoral activity. Planned Parenthood Federal PAC is a separate segregated fund of Planned Parenthood Action Fund, which supports pro-choice, pro-family planning candidates for federal office. The Planned Parenthood Federal PAC also acts as a federal political committee for nearly 80 state and local Planned Parenthood action funds across the country.

Planned Parenthood Action Fund serves as the voice in the political arena of the larger Planned Parenthood movement. For 90 years, that movement, through Planned Parenthood health centers nationwide, has provided reproductive health care to millions of women, men and young people, earning the nation's trust:

- **ONE IN FOUR** American women has visited a Planned Parenthood affiliate health center in her lifetime.
- Planned Parenthood has nearly **FOUR MILLION** supporters who care about women's health issues.
- Planned Parenthood health centers provide health care and education to **FIVE MILLION** women, men, and teens in the United States and abroad every year.

On behalf of the Planned Parenthood Action Fund and Planned Parenthood Federal PAC, we wish you the best of luck in the coming election.

Sincerely,

Cecile Richards
President
Planned Parenthood Action Fund

Brian Feldman
Chair
